# INTRODUCTION

## Ongoing projects

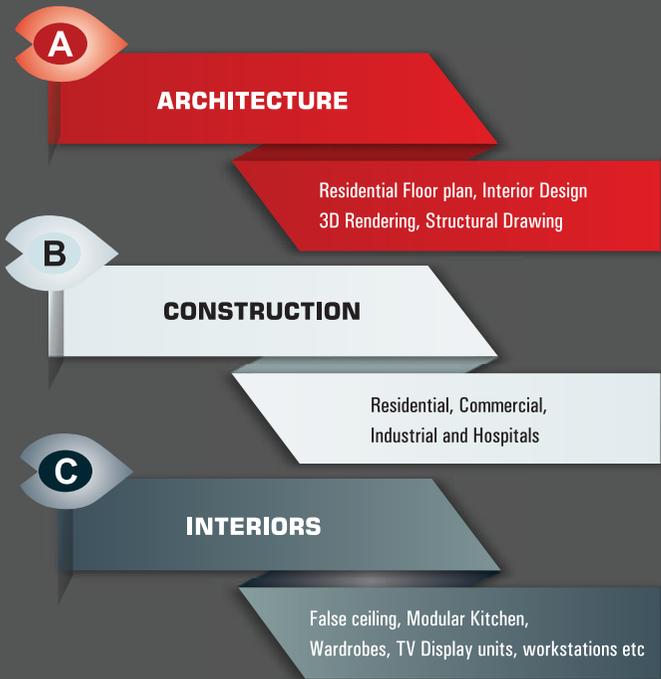

## OVERVIEW

"G Arc Associates" was founded in 2016 under the ownership of Mr. Janakar.G, a qualified Civil Engineer and Master of business administration. We are third generation people involved in construction industry. A truly successful journey over the last 6 years completed more than 35 individual villas around Tamilnadu. Our Management team have an extensive knowledge of construction with reliable team of workers. Our projects are built to provide exceptional life experience with innovation, uncompromising quality, and sustainability.
